There will be no change in the benefit levels during the term of the Agreement, July 1, 2006 – June 30, 2007, unless mutually agreed upon by the Union and the City.

Plan A. This plan is considered the base plan. There is no cost for an employee only to be on this plan. If an employee adds spouse, child(ren) or family, the employee would pay five percent (5.0%) of the spouse, child(ren), or family portion of the premium each month excluding the single or employee only coverage.

The July 1, 2006 five percent (5%) contribution by employees for Plan A will equal:

<u>Monthly Contribution</u>	
Employee only	\$00.00
Employee plus Spouse	\$18.50
Employee plus Child(ren)	\$16.65
Employee plus Family	\$30.71

Plan B. This plan is designed so that the employee makes no monthly contribution toward the monthly premium for any of the coverage options, i.e. spouse, child(ren), or family. Increases over Plan A have been made in the deductibles, out-of-pocket and physician visit co-pays to reflect the employee's non-participation in the monthly premium.

Plan C. This plan is designed so that the employee makes no monthly contribution toward the monthly premium for any of the coverage options, i.e. spouse, child(ren), or family. Employees selecting family coverage shall have the sum of the two (2) amounts deposited in a H.S.A. account on a monthly basis by the Employer.

Opt-Out Option. The Opt out option may be selected only if the employee provides acceptable proof of reasonable medical coverage via a spouse or other means. Employees selecting this plan shall receive 50%

In addition, the Employer will provide a \$20,000 term life insurance policy on the Employee. Employee is able to purchase additional life insurance on a voluntary basis provided the employee pays the additional premium. The limits for additional life insurance coverage will be in accordance with the rules and regulations set forth by the insuring company, which are currently \$300,000 for the employee and the employee's spouse and \$5,000 for dependents.

Employer will meet with the Union on an annual basis to present any changes proposed in the City insurance premium costs and address questions or concerns raised by the Union regarding health care trends, utilization and costs. The Employer and the Union agree to the formation of an insurance committee during the term of this contract. The committee will evaluate the current mix and level of health/dental/drug insurance coverage and make a non-binding recommendation for any modifications.

### **GRIEVANCE PROCEDURE**

- Sec. 1. A grievance is defined as any dispute or disagreement arising between the parties as to the application, or interpretation of, or compliance with the terms of this Agreement. The Employer and the Union agree that every effort will be made to settle such grievance promptly, in the lowest step possible, as outlined below. All grievances must be made known to the party within seven (7) working days after the aggrieved party could have had knowledge of the occurrence. For purposes of this article, working days shall be defined as Monday through Friday, exclusive of scheduled holidays.
- If a Union Business Agent elects to file a grievance on behalf of the members, such grievance will be initiated at the step 3 level.

The City's response(s) to grievances shall be filed with the person, Union Steward or Business Agent, who filed the grievance.

- Sec. 2. The grievance procedure shall be as follows:

Step 1. The grievance shall be presented in writing for discussion between the appropriate supervisor, the employee and (if requested by the employee) the employee's steward or Union Representative, within seven (7) working days after knowledge of the event giving rise to the grievance. The supervisor shall respond within seven (7) working days after such conference. The failure of the supervisor to reply within said seven (7) working days period shall be deemed a denial of the grievance, which may then be appealed to the next step.

Step 2. If such grievance is not resolved in Step 1, aggrieved employee may appeal. The employee or his steward or Union Representative shall within seven (7) working days following completion of Step 1, present the grievance in writing to the

department head or his designated representative. The grievance shall contain a statement from the employee specifying what relief or remedy is desired. The department head or his representative shall investigate the grievance and issue a decision in writing within a period of seven (7) working days. The failure of the department head or his representative to issue a written decision within said seven (7) working days shall be deemed a denial of the grievance which may then be appealed to the next step. Copies of such grievance and the reply are to be filed with the City Administrator.

Step 3. A grievance not settled in Step 2 may be appealed. The employee or his Union Representative shall, within seven (7) working days of receipt of the decision specified in Step 2, or, if no written decision was made then within seven (7) working days after such decision could have been issued, present the grievance in writing to the City Administrator. A meeting concerning the grievance shall be held within seven (7) working days unless the time is extended by mutual agreement. This meeting shall be closed to the public. The City Administrator shall investigate the grievance and issue a decision in writing within ten (10) working days. The failure of the City Administrator to issue a written decision within said ten (10) working days shall be deemed a denial of the grievance which may then be appealed to the next step.

Step 4. Within ten (10) working days, the Employer or the Union may call for the grievance to be placed before an arbitrator. Within five (5) working days following notice of appeal to arbitration, either party may request the Federal Mediation and Conciliation Service to name five (5) arbitrators. After a toss of a coin to decide which party shall move first, the parties shall alternately strike one name from the list until one name remains. The person whose name remains shall be the designated arbitrator. The decision of the arbitrator will be final and binding to both Union and Employer.

The Arbitrator's decision must be based upon the interpretation of the provision of the agreement and the Arbitrator shall have no power to add to, take from, amend, modify, or alter this Agreement. It is agreed that the Arbitrator can act only on one (1) grievance at one (1) time, and grievances shall not be grouped or combined, unless mutually agreed to by both parties. The cost of the Arbitrator and any other expenses mutually incurred shall be borne equally by the parties hereto. Failure to present a grievance or appeal a decision within the specified time limits shall render the matter resolved and not subject to further appeal.
